Overview

Comprehensive English courses for all levels from beginner to advanced. Delivered by native English experts to help you become more fluent and skilled in speaking, writing, listening and reading.

Class Practice

The English Language course is designed to help you become more fluent. In your classes, you will be encouraged to communicate better in real-life, day-to-day situations. Your classes will focus on verbal fluency, grammar, pronunciation, listening, and reading skills. The full course includes around 14 useful and interesting topic units.

Students are encouraged to complete regular homework, which will be reviewed in class. Your teacher will also include some fun activities such as English quizzes or word games.

One module includes 24 hours of classes. It is recommended to take at least 3 modules to get the full benefits of improving your level of English.

If you wish to complete a full level, you will need to complete approximately 100 hours of classes. After completing 1 level, you will be awarded a Certificate of Competency in English.

In this course, your teacher will provide valuable feedback and guidance on how to improve and move on to the next level of study.
